- 4 1/2 mm Crochet Hook

Crochet Tension:

4 SC per inch.

- SC** - Single Crochet
- HDC** - Half Double Crochet

Increase TIP:

For each new round, add 1 extra sc stitch to the number of sc stitches between increases (an increase is done by making 2 sc in one stitch). For example, round 5 would have 3 sc between increases then round 6 would have 4 sc between increases and so on.
